

## Quality Statement

TruffleHunter Limited is fully committed to provide an unrivalled service to our customers. We aim to maintain our position as the UK's leading supplier of fresh truffles and truffle products. We will ensure that our processes are safe, legal and meet the quality expectations of our customers. In doing so, we will strive to generate sufficient profit to enable continual reinvestment into the Company.

TruffleHunter products will be manufactured to the highest possible standards; we will strive to ensure the best possible appearance, flavour and texture of products whilst ensuring consistency of presentation. We will continually invest in improving our existing products and bringing new products to market.

TruffleHunter Limited will implement policies and procedures that ensure we adhere to UK and European legislation as a minimum, along with relevant legislation pertinent to the countries to which we export and follow due diligence processes. The food safety management systems will be based on HACCP (Hazard Analysis Critical Control Point) principles. We will strive to meet and exceed customer and internationally recognised quality standards.

TruffleHunter Limited recognises that our employees are critical to the current and future success of the business. We will invest in recruiting the right people and ensuring that they receive appropriate and effective induction and training to meet the requirements of their roles and in turn, the expectations of our customers.

TruffleHunter Limited will endeavour to create a working environment that is friendly, whilst remaining professional at all times. We will involve employees in decision making wherever possible and promote a positive food safety culture that drives continual improvement throughout our business operations.

This quality policy statement will be clearly communicated throughout the business during the induction of new employees, through our regular performance management reviews and displayed on Company notice boards.

The statement is reviewed annually and countersigned on behalf of the Directors of TruffleHunter Limited.

Nigel Whitehouse  
Managing Director
